

Dear School Community,

Immaculate Conception School is committed to the safety and health of our students and staff. We want to inform you that that we have recently received information that someone from your child's classroom tested positive for COVID-19. We are working closely with Columbus Public Health and anyone identified as a close contact will be notified by the health department as a part of COVID-19 investigation.

Cleaning and disinfecting of the exposed location(s) has been completed.

We ask you to take these steps to continue to be aware of your child's health:

- As a precaution, consider postponing plans for play dates, family visits, and extracurricular and social activities for the next 14 days.
- Continue to check your child for COVID-19 symptoms daily: fever or chills, new uncontrolled cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, new loss of taste or smell, sore throat, congestion or runny nose, nausea, vomiting, diarrhea, abdominal pain, new onset of severe headache, especially with fever.
- If anyone in your household develops symptoms or tests positive for COVID-19, they should immediately isolate and call the Columbus Department of Health. Also contact your medical providers.
- If NO symptoms develop and you have not been instructed otherwise to quarantine for a different exposure, your child may continue to attend school.

If you have any questions, contact us at 614-267-6579 or Columbus Public Health at 614-645-7417. Thank you for helping to keep people safe and to slow the spread of COVID-19 in our community and school.

For answers to your COVID-19 questions, call 1-833-4-ASK-ODH (1-833-427-5634) or visit [coronavirus.ohio.gov](https://www.cdc.gov/coronavirus/2019-ncov/). Resources from the CDC include:
